Course News

August didn’t give us any surprises with the rain. We received 6.5” inches of rain throughout this past month with high heat. With a total amount of 22” of rain, this is the most rain this area has experienced during the summer in a decade. We experienced some cool temperatures which helped with the end of the season stress, but the course still has wear and tear from a long rainy summer. Aerification cannot come soon enough.

Aerification will take place on September 4th, the day after Labor Day. The course will be closed until 12:00pm to complete the process. We will be removing ¼ inch cores from the greens and applying a heavy sand topdressing. On top of this project, we will be sodding collars in September in addition to the collars we have sodded in August. We wanted to sod the collars early in July but with the rain we had to keep pushing back the date.

I want to thank everyone at Swan Point for a great three seasons at Swan Point, this will be my last Voice of the Swan. I have accepted an Assistant Superintendent position at Bethesda Country Club and will be starting there in late September. It has been a great educational experience working under Tim, and Swan Point was an amazing team to be apart of. I wish the best of luck to the Swan Point maintenance and the remaining staff.

August ended with some great weather and the golfers came out in waves. The Senior Club Championship was held over two weekends this month and congratulations goes to our 2018 Senior Club Champion Frank Jones who held off a great competitor in Mike Collins to win the coveted parking spot! We had some fantastic matches in the Flighted division as well. Congratulations goes to John Kempf for winning the 1st Flight championship over Jim Callahan. Pete Martin defeated his father Bob Martin to win the 2nd Flight Championship and Don Harwood held off Joe Knott to win the 3rd Flight Championship. It was a great three days and we look forward to Frank Jones defending his title in 2019. Next up is the Women’s Club Championship held on September 22nd and 23rd. Sign up has begun in the Pro Shop. Sign up now. All handicaps are welcome! We look forward to a great September and hope to see you all on the links soon!

All other areas of Swan Point must submit to the ARC for tree removal. If there are any questions about tree removal, please contact the SPPOA office for assistance. The summer rain brings with it lots of weeds. This is a great time to clean out planting beds around the house. Thank you for helping to keep Swan Point beautiful.

The Architectural Review Committee meets at 10:00 am, at the Clubhouse on the 2nd and 4th Tuesday of each month. Requests must be received at the SPPOA office by 9:00 a.m. the Friday before a scheduled ARC meeting. Questions may be directed to the CMC On-Site Manager at: (301) 259-2100. Swan Point Social Club

The SPSC September meeting has two fun and entertaining “happenings”
SPSC members, guests, friends and neighbors are included in the invitation to attend.

Swan Point's Chef Richard's Fall Fare grill cooking presentation for your consumption and enjoyment!

He will present two of his favorites - chicken or salmon with vegetables and scrumptious spices on the grill. Richard’s cooking presentations have been a delight in the past. SPSC is excited he will be cooking up delicious meals for us to prepare at home. His presentation will begin at 11:30 on Wednesday, Sept. 19th.

Please call Adele Adams at 240-233-3080 or email at adelemadams@msn.com to tell you will attend. We need a head count to make sure there is a tasting for everyone.

SPSC’s annual silent auction will be held the same day. It is a great auction with awesome items. You can take home some fabulous treasures without breaking the bank. SPSC is inviting the community to participate in the auction. It will be set up on Tuesday late afternoon and bids can be placed on September 18 until the club closes. There will be bid sheets; however auction bidding will close at 2:00 PM on Wed. September 19 at the SPSC regular meeting. If the winning bidder is not present when the auction closes we will take the previous high bidder. Pick up and payment will be open until 4:00 PM at SPYCC. If there are questions please text Mollie Gieseman at 301-752-9274.

Guests and prospective members are welcome at meetings

Please contact Membership Chair Dottie Whitehead at 301-259-4008 or dotdrummer@yahoo.com. SPSC always welcomes new members at any time and Dottie will be pleased to answer questions.
